Requirement level – Placed and restored more than 150+ implants.

**LIVE SURGERY UNDER STRICT SUPERVISION: 1 TO 2 RATIO MENTOR**

**OPTIONAL:  
TOUR CARNIVALE!**

**13-17 FEB - 2023**

**SAO PAULO - BRAZIL**

## LEVEL 1

You will be encouraged to place a minimum of 12 Implants under supervision in a more ideal scenario. Including treatment planning, pitfall of individual surgical sites, minor grafting with placement. There will also be an opportunity to participate in the placement of another 12 Implants working in teams of two or follow more than 250 implant surgeries placed weekly at the clinic and as observers, in several cases of advanced surgeries.

## LEVEL 2

You will be encouraged to place a minimum of 15 Implants under supervision in a more challenging scenario. There will also be an opportunity to participate in the placement of another 15+ Implants working in teams of two or follow more than 250 implant surgeries placed weekly at the clinic and as observers, in several cases of advanced surgeries.

## LEVEL 3

You will be encouraged to work in more advanced cases of Implantology. Total rehabilitation (All on X). Lateral wall and “punch” sinus surgeries. Bone grafting using Autograft, Allograft and Xenograft Biomaterials (Block and particulate techniques). Emphasis on cases with complications to take you to the next level. There will also be an opportunity to participate / observe complicated cases with the resident surgeons of the clinic.
